

## HGV Mechanic

**Location:** Wigtoft, Boston, PE20 2NX

**Salary:** £33- £45,000.00 per year

**Hours:** 8.5 hours. Rotating shifts- 06:00- 14:30, 13:30- 22:00 with overtime available

Established in August 2020, Autotruck provides the Lincolnshire haulage industry with a professional, fast, motivated, and highly skilled truck and trailer service centre to keep local businesses running.

We are a fast-growing business who currently employ 13 staff across 2 sites.

Over the last 2.5 years Autotruck has expanded at an instantaneous rate due to the excellent and highly skilled technicians we are proud to employ, who are passionate about their roles and the business to enable us to deliver outstanding service to our customers.

We want you to be part of our amazing close working team that keeps essential services moving. You will be rewarded with industry-leading training and development and the opportunity to work on high quality vehicles independently and as part of a team to problem solve.

At Autotruck LTD we thrive off and celebrate excellent performance.

We are continuously expanding and now require another HGV Technician who can work well within our current team at our Boston site to meet the needs of our Commercial Vehicle customers.

### **If you are all the below and more, we want to hear from you!**

- A dedicated and enthusiastic technician with superior workmanship and great attention to detail
- The ability to work efficiently and productively, independently and as part of a team on your own initiative
- Enjoys working in a clean, modern, friendly workshop environment
- Committed to reaching your career goals and encouraging positive working relationships between staff and managers

### **Main Duties will include (but not limited too):**

- Responsible for servicing and repair of HGV's, Trailers, Cars and Vans
- Responding to customer issues
- Providing travelling support
- Performing preventative maintenance
- Carrying out safety checks/ inspections to high industry standards in a safe & responsible manner
- Ensuring all supporting paperwork is filled in and accurate.
- MOT Preparation
- Road Testing vehicles when required, subject to licence restrictions

## Licence/Certification:

- City & Guilds Automotive (preferred)
- Driving Licence (preferred)

From Day 1 at Autotruck we pride ourselves on the benefits we can offer our employees:

- **Overtime available @ enhanced pay rates**
- **Opportunity to achieve HGV Class 1 license**
- **Company Pension Scheme**
- **Company Car Scheme**
- **Bonus Scheme**
- **Employee Assistance Programme**
- **Holiday allowance rising with length of service**
- **Great career development**
- **Colleague engagement days**
- **Language training provided (if required)**

We are passionate about promoting and celebrating diversity in our work force and creating a more inclusive environment which attracts all candidates to demonstrate our commitment to this. **Together** we keep the wheels turning.
