

Light Commercial/ Car Mechanic

Location: Marsh Farm, Sea Lane, Wrangle, Boston, PE22 9HE

Salary: £14 hourly

Hours: Rotating shifts, 06:00am-14:30pm/ 13:30-22:00pm.

Alternate Saturdays required 7am-12.

Established in August 2020, Autotruck provides the Lincolnshire haulage industry with a professional, fast, motivated and highly skilled truck and trailer service centre to keep local businesses running. We are a fast-growing business who currently employ 20 staff across 2 sites.

Over the last 3.5 years Autotruck has expanded at an instantaneous rate due to the excellent and highly skilled technicians and office support staff we are proud to employ, who are passionate about their roles and the business to enable us to deliver outstanding service to our customers.

We want you to be part of our amazing close working team that keeps essential services moving. You will be rewarded with industry-leading training and development and given the opportunity to contribute to our dynamic company.

At Autotruck LTD we thrive off and celebrate excellent performance.

We are continuously expanding and now require another mechanic for our Wrangle site who can work well within our current team to meet the needs of our Commercial Vehicle customers.

If you are all the below and more, we want to hear from you!

- A dedicated and enthusiastic technician with superior workmanship and great attention to detail.
- Have strong mechanical aptitude with experience working on a varied fleet of Cars and Vans.
- The ability to work efficiently and productively, independently and as part of a team on your own initiative.
- Enjoys working in a clean, modern, friendly workshop environment.
- Committed to reaching your career goals and encouraging positive working relationships between staff and managers.

Main Duties will include (but not limited too):

- Responsible for servicing, diagnosis, and repair of vehicles to excellent standards.
- Manually diagnosing faults or with the aid of software and digital tools.
- Responding and resolving customer issues.
- MOT Preparation on all vehicles.
- Take responsibility for allocated jobs whilst liaising with the depot supervisor to ensure parts are ordered and delivered in a timely manner.

- Minimising operational downtime.
- Updating vehicle service records.
- To ensure Company and legislative H&S procedures are always followed.
- Road Testing vehicles when required, subject to licence restrictions.
- Maintaining vehicles to MOT Standard in line with manufacturers recommendations to main dealer standard.
- Maintaining good housekeeping standards and orderly administration of your work.

Licence/Certification:

- Level 3 Motor vehicle studies or similar (preferred)
- Driving Licence (preferred)

Skills:

- A self-motivated individual when lone working with the ability to prioritise tasks accordingly in a fast-paced environment.
- A proactive and customer-focused approach to work.
- Strong organisational skills with thorough attention to detail.

From Day 1 at Autotruck we pride ourselves on the benefits we can offer our employees:

- Company Pension Scheme.
- Employee Assistance Programme.
- Holiday allowance rising with length of service.
- Great career development.
- Colleague engagement days.
- Language training provided (if required)

We are passionate about promoting and celebrating diversity in our work force and creating a more inclusive environment which attracts all candidates to demonstrate our commitment to this. **Together** we keep the wheels turning.

Should you wish to apply for this position please email a copy of your CV to: Lisa Healing at lisa.autotruck@outlook.com or call 01205 461461 for more information.
